A Note From Our Board Leadership

Dear Friends,

In Roman mythology, Janus, the deity of doorways and transitions, was often depicted as having two faces — one face that looked to the past, and one face that looked to the future. As we celebrate Regina's 60th anniversary, this seems like a perfect time to both reflect with gratitude on Regina's first 60 years, and to continue to make improvements to ensure Regina's success over the next 60 years.

ERIC AITCHISON
Regina Foundation
Board President

When one sets foot on Regina's campus, it doesn't take long to see the benefits of the *Pride in Our Past, Building Our Future* capital campaign and the \$4.84 million provided to date by Regina's generous supporters. The expanded front parking lot and repaved circle drive (goodbye potholes!), new gymnasium roof, new First Avenue entrance, and much needed renovations to the boys and girls locker rooms are all essential improvements to Regina's campus. In addition, construction was recently completed on the Regina Athletic Training Facility. The facility was made possible by a generous donor who contributed close to half of the total cost.

The Regina Foundation's annual fundraising appeal was renamed the *Excellence Fund*, because this fund helps Regina students achieve academic and spiritual excellence. We are thrilled to report that \$471,000 was raised for the 2017–2018 *Excellence Fund*, surpassing the \$450,000 goal. In addition to providing crucial funding for teacher salary increases, tuition assistance, teacher endowment growth, and operating

budgets, the *Excellence Fund* purchased 30 new iPads (to serve 480 students in 21 elementary classrooms) and eight biomedical "Manikins" for high school Project Lead the Way (PLTW) science use. Our parent-led support groups, PISA, Boosters, Home and School, PTO and Regal Rewards, along with the Regina Special Events office, continue to provide important dollars for academics, fine arts, athletics, and operational needs.

Regina students have achieved much over the past year both in academics and as imitators of Christ. Regina was ranked second academically among Iowa small and nonpublic schools and our 2018 graduating seniors were awarded a combined \$2.77 million in college scholarships. Regina Jr./Sr. High became the first high school in the Diocese of Davenport to receive the Silver Level distinction by Catholic Relief Services. Students have been active in hands-on philanthropy and raised money for organizations such as the Johnson County Crisis Center and the American Heart Association. Our students have also had great success with fine arts and athletics, with accomplishments too numerous to list here! Behind all of these achievements stand our talented and committed teachers, administrators, and coaches.

The following pages highlight the 2017–2018 school year and the individuals, families, and businesses who make a Regina Catholic education possible. Enjoy! As we pass through the doorway of 60 years of Regina, we thank you for your belief in Regina and its mission.

Best,

Regina Catholic Education Center is blessed to have four wonderful parishes that support our school. We are grateful for their partnership and the care they give in time, talent, and treasure.

Our children get to know our parish priests from an early age through their senior year, and look forward to their visits at Regina for prayer services, Masses, or other special events. The key support that they provide reflects the parishes' commitment to our students to receive the very best Catholic education possible.

"Introibo ad altare Dei...Ad Deum qui laetificat juventutem meam... I go to the Altar of God, the God who gives joy to my youth..." are the words of the Old Mass. But these words remind me of why I like to celebrate Mass at Regina with our young people. God is forever young and keeps us young in spirit if we are busy loving and serving Him above all things." – Fr. Rudy

Tradition of Excellence

Preparing Tomorrow's Leaders

For 60 years, the Regina Catholic Education Center has been dedicated to making a difference — in our students' lives, in our community and in our world. We have created an educational environment that is learner-centered; values-rich; proudly steeped in our Catholic identity; service-oriented; and bold and fearless when considering new possibilities.

7th grade students build DNA models.

Perhaps most importantly, at Regina we provide an environment that develops creative learners and strong leaders, thinkers and creators, communicators and collaborators. We believe that success comes from realizing and fostering individual's passions. We are here to help students find their success and prepare them to be life-ready, modern-day learners.

Extra-curricular activities supplement the learning activities in our classrooms and provide students a chance to excel and develop other skills. Activities in areas such as art, choir, band, orchestra, drama, and robotics, give students a chance to pursue areas of interest with other students, develop positive student relationships and create a supportive school climate. Most of our junior high and high school students participate in at least one extra-curricular activity

5th graders reenact Stations of the Cross.

and many of our students participate in more than one activity.

Our student-athletes have continued to raise the bar with personal bests and team achievements. The success that Regina athletics has had over the years is due to the commitment of our student athletes, first-class coaches, and supportive fans.

Regina is also deeply rooted in serving the community. All students are provided with opportunities to learn how to become a servant leader who serves the Church and the greater Iowa City area community, thus preparing Regina High School graduates to go out and serve the world!

Elementary students have fun on Track and Field Day.

2017–2018 *Excellence Fund* Update

Thank you to our generous donors for helping us reach our **EXCELLENCE FUND*** goal!

Each year, **EXCELLENCE FUND** contributions provide the Regina Catholic Education Center with crucial funding to enrich student life, build a foundation of faith in our youth, support student success and meet the pressing needs of the school.

The goal for the **2017–2018 EXCELLENCE FUND** was \$450,000. Because of donors like you, we met and exceeded our goal, raising a total of **\$471,000.**

These funds will benefit the Regina Catholic Education Center in the upcoming school year and beyond by:

- ▶ Supporting a teacher salary increase to reflect the value we place on our teaching faculty.
- ▶ Purchasing 30 new iPads, cases and software applications that will serve 480 students in 21 elementary classrooms.
- ▶ Investing in Project Lead the Way training to provide our teachers with the tools they need to engage, inspire, and empower students with this hands-on, problem-solving curriculum.

- ▶ Endowing three new scholarships and supporting 31 existing scholarships to provide funding for students.
- ▶ Providing tuition assistance to families who might otherwise be unable to afford a Catholic education.
- ▶ Purchasing eight Project Lead the Way biomedical “Manikins” for use in high school science classrooms.
- ▶ Growing the Teacher Endowment Fund by \$60,000+.

An additional **\$91,831** in funding (not included in the **EXCELLENCE FUND** total) was gifted to the Regina Foundation through memorials and honorariums, estate gifts and special project funding to benefit the Regina Catholic Education Center.

*Thank you for helping
Regina students pursue
spiritual and academic
excellence.*

Expressions of Excellence

Honor Roll of Donors

FY 2017–2018

Each year Regina alumni, parents, family, staff and friends show their loyalty and belief in the Regina Catholic Education Center through their generous support.

The commitment of our donors, through monetary donations and in-kind gifts, contributed significantly to help meet the needs of the Regina Catholic Education Center and support student success during the past fiscal year.

In appreciation of these gifts, we say a heartfelt **THANK YOU** for your passion, generosity and commitment to Regina.

The following is a list of cumulative gifts made by donors from **July 1, 2017 to June 30, 2018 (actual gifts received, not pledges made)** in one or more of

the following ways:

- ▶ 2017–2018 Excellence Fund
- ▶ *Pride in Our Past, Building Our Future* Capital Campaign
- ▶ Endowed Funds/Scholarships
- ▶ Legacy Gifts (*Estate/Bequest*)
- ▶ Memorial & Honorary Gifts
- ▶ Life Insurance Policy Premiums
- ▶ Regina Special Events
- ▶ Regina Parent-Led Organizations

We have made every effort to recognize each of our donors during the past fiscal year. If you notice an error or omission, please accept our apologies and notify the Regina Foundation so that our records may be corrected.

Tuition Assistance

Regina and the greater Catholic community provide opportunities for financial assistance to families meeting need factors. Leading the way, every family who receives the Parish Tuition Rate is receiving a significant reduction in tuition due to parish funding from our four participating parishes amounting to \$1,644,004. A specific stipend of \$21,500 from the Sts. Mary and Joseph Cluster Parishes (Hills/Lone Tree) assists their families. Regina budgets additional aid which is not funded from outside sources.

Additional key financial help for approximately 25% of our families comes as follows:

Student Tuition Organization	\$345,497
Foundation Named Scholarships	\$ 22,850
Foundation Endowment for Assistance	\$ 83,321

A student works on keyboarding skills in the Regina Elementary computer lab classroom.

Ways to Give

Many opportunities exist to invest in the mission and future of the Regina Catholic Education Center.

- ▶ Cash Gifts
- ▶ Real Estate and Personal Property
- ▶ Stocks and Bonds
- ▶ Will Bequests
- ▶ Life Insurance Policies
- ▶ IRA and Other Retirement Distributions

Legacy Gifts

Legacy gifts are made to Regina through a bequest or gift through an estate by including a provision in a will or living trust, or by naming the Regina Catholic Education Center/Regina Foundation as a beneficiary of a retirement plan or life insurance policy.

Please contact Kecia Boysen at 319-354-5866 or kecia.boysen@regina.org to discuss giving options and/or the legacy gift planning process. We also encourage you to speak with your own financial or estate planner for advice.

Pursuit of Excellence

Capital Campaign Update

Thanks to each and every one of you who have supported Regina in this capital campaign endeavor. Now is a good time to also provide you with an update of our accomplishments. We have completed a number of much-needed building updates due to the generosity of the Regina community. We have completed the new Regina Athletic Training Facility and have begun other planned construction projects.

Entering into these projects, we knew that we needed to be flexible and understood that construction planning and execution are very fluid. As we began to see the vision play out, we recognized that we needed to make some adjustments to our original plan so that we could save significant campaign dollars in the future. The original building plans were for a two story addition to our school, housing not only classrooms, but also new strength training and wrestling rooms. As the training facility came to life, it was clear that utilizing the space under the hitting facility would allow us to drop the school addition to one story. This reduces our cost per square foot for that portion of the construction phase. All in all, the costs of integrating these projects into the training facility were less than half of the cost to build them as part of a two-story addition to the school.

in Our Past

Building **Our FUTURE**

REGINA CATHOLIC EDUCATION CENTER

To date, we have replaced the high school gym barrel roof; resurfaced the front drive, loop, and parking lot; created a second entrance on First Avenue; updated the locker rooms; purchased a new bell and intercom system; rerouted the storm water retention; as well as a few other smaller projects. In addition, we were able to build the new training facility. We had two donations specifically earmarked for the upstairs hitting facility and the weight room downstairs which made the change to early sketches possible.

We ran into a few hurdles along the way due to soil issues, age of buildings, and a few unforeseen costs. This caused us to exceed budget in some areas, however that is not uncommon with projects of this magnitude.

The breakdown (below) of costs does not include the additional value of in-kind services that amounted to more than \$199,000, as well as a

Here are how the projects break down to give you an idea of how your dollars were spent thus far:

***\$1.15M of the athletic training facility was covered by specifically directed pledges*

Bell and Intercom System	\$ 125,000
Barrel Roof	\$ 190,239
Front Drive and Parking Lot	\$ 279,004
Locker Rooms	\$ 489,967
First Avenue Access	\$ 138,547
Storm Water Retention (City required)	\$ 40,000
Athletic Training Facility & Furnishings	\$2,100,000**

large amount of personal time spent by many people overseeing the numerous projects. These figures also do not include the cost involved with the building blue prints or other necessary associated costs.

As for the rest of the vision, we are moving forward and will continue to update you as we go. Throughout the fall, you will continue to see site preparation work on the east side of the school and we will be following up with more information regarding future construction. Projects as large as this take a lot of planning, involve a lot of people, and require a significant amount of money. We continue to receive pledges to the campaign, but as you may know — we are short of our goal.

The campaign cabinet, our board, and those committed to the project will continue to look for additional pledges to help us see our vision to completion.

It's an exciting time in Regina history as we look to ensuring our current and future students have a great place to grow and learn.

Future of Excellence

Building Regina's Future on a Foundation of Excellence

"The recurring theme when asking new families why they chose Regina is they love our commitment to faith and academic excellence. This is the resounding common answer! New families love the morals and values that our teachers and staff instill in our students. They overwhelmingly appreciate the teachers' commitment to education and furthering their own professional learning during the summer months. Regina is no longer the 'best kept secret in the corridor."

Thank you for your continued Regal support and spreading the 'good news' to family, friends and new folks moving into the Corridor."

Fundraising for the 2018–2019 *Excellence Fund* is underway!

A Regina student receives her diploma at the 2018 graduation ceremony.

Each year the Regina Foundation takes great pride in raising funds to support the Regina Catholic Education Center. The **EXCELLENCE FUND** (formerly the annual appeal) provides an opportunity for Regina's generous alumni, parents, grandparents, business partners, and friends to make a difference in Regina's daily operations and long-term needs. Annual contributions provide flexible funding to enrich student life, respond to emerging opportunities, meet operational needs, and grow endowments for teacher salaries, tuition assistance and other long-term support.

Contributions of \$1,000 or more (made at one time or cumulatively over the fiscal year) qualify

donors to become members in our **Cornerstone Club** and receive recognition at the Donor Appreciation Celebration.

Gifts of any size make an immediate impact and are greatly appreciated. Visit www.regina.org/foundation to make your gift online, return the enclosed envelope or consider saving yourself time and Regina mailing costs by enrolling in the automatic **Monthly Giving Program**. Contact the Regina Foundation at 319-354-5866 or foundation@regina.org to learn more!

Thank you for your consideration of a gift to enhance the excellence of Catholic education at Regina.

Please note that while the tax laws may have changed, Regina's mission and need for your support remain the same!

60th Anniversary Jubilee

We are excited to celebrate 60 Years of Excellence at Regina during the 2018–19 school year. Plans for special anniversary events throughout the year are underway!

Regina High School officially opened its doors on September 3, 1958 to 295 students. Families lined up outside the building excited to take a tour of the new school.
