

# ON the MOVE

An email news flash to update the Regina family about our construction projects and the campaign to fund them.

## CONSTRUCTION UPDATE

Highlights for construction progress the past two weeks include completing the concrete pours for the footings and foundation, and first delivery of the structural steel. The gas piping tie-in also is finished.

In the coming weeks look for insulation to be placed in the foundation perimeter, along with backfill and compaction work on the foundation. Work on underground plumbing rough-ins also will start.

As of Nov. 11, work on the entire project stands at 9 percent complete. [Click here](#) for the latest construction update from **Build to Suit**.

### Be prepared

A construction site is a busy one. Give yourself a little extra time when visiting our campus, especially at drop-off and pickup. And, be on the alert for our construction workers. They have an important job to do and their safety is paramount.

## THANK YOU, DONORS

The continuation of the *Pride in Our Past, Building Our Future* campaign has made great progress – thanks to our generous donors. “We are most grateful for the faith our donors have placed in Regina Catholic Education Center,” said Kecia Boysen, Executive Director of the Regina Foundation. “When there is a call to action, our donors step forward.”

It’s time to recognize those who extended their original campaign pledges, gave a one-time gift or a two-year pledge. “We are blessed to have so much support from our Regina family,” Boysen said.

Listed alphabetically, these people, as of Nov. 13, have supported the campaign continuation:
