ON the MOVE

An email news flash to update the Regina family about our construction projects and the campaign to fund them.

CONSTRUCTION UPDATE

During the past couple of weeks, construction work has focused on the doorways, window openings and plumbing rough-ins. Waterproofing the foundation is nearly finished while the underground plumbing rough-ins are in place. Work is underway to place structural steel at the window openings. During the remainder of 2019, look for work to focus on the exterior wood blocking on the window openings and installing the door frames. As of mid-December, work on the entire project was 18 percent complete. [Click here](#) for the latest update from **Build to Suit**.

SAVE THE DATE AND BE A PART OF REGINA'S HISTORY

You can have a permanent place in Regina's history by adding your signature to a beam that will be part of the new Education Wing. Stop by the lobby outside the Leonard & Margaret Pacha Nutrition Center anytime between 5 p.m. and 7 p.m. Sunday, Jan. 19, to sign your name. Stay for a brief program that begins at 5:45. The program will include welcomes by Matt Pacha and Jason Dumont, who are serving as co-chairs of Regina's *Pride in Our Past, Building Our Future* Capital Campaign; a thank you from Melinda Shelter, chair of Regina's Board of Education; and a construction update from Mike Villhauer from **Build to Suit**. Refreshments will be served following the program.
