ON *the* MOVE

An email news flash to update the Regina family about our construction projects and the campaign to fund them.

CONSTRUCTION UPDATE

Foundation waterproofing work was completed by the end of the year, while work on the concrete masonry unit walls continues as does installation of door frames and placement of structural steel in the window rough openings. Work during the coming weeks will focus on detailing the structural steel and exterior wood blocking at the window openings. Through Dec. 23, work on the entire project was 24 percent complete.
