# ON the MOVE

An email news flash to update the Regina family about our construction projects and the campaign to fund them.

## CONSTRUCTION UPDATE

As of January 20, concrete walls, rough-ins, door frames and structural steel detailing are nearly complete. Structural steel beams and metal roof placing will soon follow. Electrical panel and plumbing rough-ins are also in progress. To date, 33 percent of the project has been completed. [Click here](#) for an update.

## THANKS FOR BEING A PART OF OUR BEAM SIGNING EVENT!

Thanks to everyone who came out on Sunday, January 19, to make your mark on Regina history by signing your name on beams for the new Education Wing. Special thanks to Campaign Co-Chairs, Matt Pacha '78 and Jason Dumont; Board of Ed Chair, Melinda Shetler; Build to Suit Project Manager, Michael Villhauer '08; and Regina Dance Marathon participants for helping us celebrate this important milestone. The beams have been lifted into place and are now a permanent part of the new addition!
