

# ON *the* MOVE

An email news flash to update the Regina family about our construction projects and the campaign to fund them.

## CONSTRUCTION UPDATE

The brick veneer is on, the concrete floors are in, the interior framing is complete and drywall is up, taped and being finished. The first coat of primer is on and painting is underway. Ongoing construction is transforming the addition into our new Education Wing! As of March 30, work on the entire project was 63 percent complete. [Click here](#) for an update.
