ON the MOVE

An email news flash to update the Regina family about our construction projects and the campaign to fund them.

CONSTRUCTION UPDATE

Thank you to everyone who helped us celebrate the grand opening of the new addition on Sunday, August 23. What a wonderful milestone for the Regina community!

The one-story Education Wing features 11,723 square feet of new construction adding four classrooms and a science lab with flex space for Regina junior and senior high students. The addition is built where the old weight room and modular classrooms once stood, and lends itself to future expansion to the south if ever desired. Other features include a 2,750 SF lobby/atrium, concession stand, Spirit Store, athletic trainer's room, restrooms, trophy cases and an entrance for extra-curricular activities.

Construction commenced on September 23, 2019, and finished July 17, 2020, one month early. The project is one of the final components of the *Pride in*

Our Past, Building Our Future Capital Campaign that launched in 2016 and initially raised \$4.83 million in Phase 1, allowing Regina to address multiple needs throughout the campus. [CLICK HERE](#) to view more photos from the grand opening.

CONGRATULATIONS! WE DID IT!

We are excited to announce that we have exceeded our capital campaign goal of \$7.8 million with a new campaign total of \$7,949,356.

Over the past year, the campaign continuation has brought in an additional \$3,120,378, including initial gifts of \$1.85 million and \$1,270,378 from 218 additional donors since the campaign continuation went public.

Our thanks to Capital Campaign Co-Chairs, Matt Pacha and Jason Dumont, and campaign cabinet members who worked tirelessly over the past several years to spearhead a successful campaign. We would also like to thank the project team, Regina Board of Education and administrators, and the 607 generous business and personal donors who helped to make this vision a reality for our Regina students!
